I'm a genie in a bottle

Fill in the gaps

Genie In A Bottle by Christina Aguilera

I feel (1) I've been locked up tight			You gotta rub me the right way	
For a century of lonely nights			If you (14) be with me	
Waiting for someone to release me			I can make your wish come true	
You're licking your lips			Just (15) and set me free baby	
And (2)	_ (3)	_ my way	And I'll be with you	
But that don't (4)	I'm (5)	give it away	I'm a genie in a bottle baby	
Baby, baby, (6) (baby, baby, baby)			You gotta rub me the right way honey	
(Ooooh)			I'm a (16) in a (17)	baby
My body's (7)	let's go		Come, come on and let me out	
(Ooooh)			I'm a genie in a bottle baby	
But my heart is saying no			Gotta rub me the right way honey	
If you wanna be with me			(If you (18) be with me)	
Baby there's a price to pay			I'm a genie in a bottle baby	
I'm a genie in a bottle			Come, come on and let me out	
You (8) rub me the right way			(Ooooh)	
If you wanna be (9) me			My body's saying let's go	
I can make (10) wish come true			(Ooooh)	
You gotta (11) a big impression			But my heart is saying no	
I gotta like what you do			If you wanna be with me	
I'm a genie in a bottle baby			Baby there's a (19) to pay	
Gotta rub me the right way honey			I'm a genie in a bottle	
I'm a genie in a bottle baby			You gotta rub me the right way	
Come, come, come on and let me out			If you wanna be (20) me	
The music's fading			I can make (21) wish come true	
The light's down low			You gotta make a big impression	
Just one more dance			I (22) like (23) you do	
And then we're good to go			If you wanna be with me	
Waiting for someone			Baby there's a price to pay	
Who needs me			I'm a genie in a bottle	
Hormones racing at the speed of light			You (24) rub me the right way	
But that don't mean it's gotta be tonight			If you wanna be with me	
Baby, baby, (12) (baby, baby, baby)			I can make your wish come true	
(Ooooh)			Just come and set me (25) baby	
My body's saying let's go			And I'll be with you	
(Ooooh)			I'm a (26) in a (27)	baby
But my heart is (13) no			Come, come on and let me out	
If you wanna be with me				
Baby there's a price to pa	ay
