

Fill in the gaps

She's blood, flesh and bone	High (12) me, she's so lovely
No tucks or silicone	She's so high
She's touch, smell, sight, taste and sound	Like Cleopatra, Joan of Arc, or Aphrodite
But (1) I can't believe	She's so high
That anything should happen	High (13) me
(2) (3) I belong	She (14) to speak to me
And nothing's (4) happen	I (15) immediately
Yeah, yeah	'Cause (16) she says (17) so
Cause she's so high	unreal
High above me, she's so lovely	But (18) I can't believe
She's so high	That (19) should happen
Like Cleopatra, Joan of Arc, or Aphrodite	I (20) where I belong
She's so high	And nothing's gonna happen
High (5) me	Yeah, yeah, yeah
First (6) and (7) free	'Cause she's so high
She's high society	High above me, she's so lovely
She's got the best of everything	She's so high
What could a guy (8) me	Like Cleopatra, Joan of Arc, or (21)
Ever (9) offer?	(oh yeah)
She's (10) as she can be	She's so high
Why (11) I even bother?	High (22) me
Cause she's so high
