

## Fill in the gaps

You say you need someone	I am yours like a hero
But everybody does	I'll see this through
l'm no (1) you	There's so much me in you
I just (3) what I do	Take this enemy together
You point your (4) at	Fight these (14) off forever
Everyone but yourself	Forever, forever
And blame the (5) (6) you love	5, 4, 3, 2, 1
Who're only try'n to help	I won't stop until it's done
As it's (7) down to zero	No curtain call, I will not fall
I am yours like a hero	This may be the one we've been waiting for
I'll see this through	No (15) call, (16) take it all
There's so much me and you	Sweat drips (17) (18) (19)
Take this enemy together	angle
Fight these (8) off forever	Love (20) body as it gathers in a pool by your feet
Forever, forever	You turn up the heat
5, 4, 3, 2, 1	Tossin' and turnin', you cannot sleep
I won't stop until (9) done	Quietly weep, you're in too deep
No curtain call, I will not fall	5, 4, 3, 2, 1
This may be the one (10) been waiting for	I won't (21) until it's done
No curtain call, just take it all	No curtain call, I (22) not fall
I have no (11) for fear	This may be the one we've been waiting for
Or people in my ear	No (23) call, (24) take it all
Head (12) and running so fast	5, 4, 3, 2, 1
Try not to dwell on the past	I won't stop (25) it's done
I'm fighting through this pain	No (26) call, I will not fall
And (13) I cannot change	This may be the one we've been waiting for
Running right into the flame	No curtain call, (27) take it all
Rather than running away	
As it's winding down to zero
