

## Fill in the gaps

I've been the needle and the thread	Close my eyes and listen to you cry
Weaving figure (1) and circles	I'm lifting you up
(2) your head	I'm letting you down
I try to laugh but cry instead	I'm dancing til dawn
Patiently wait to hear the words you've never said	I'm fooling around
Fumbling through your dresser drawer	I'm not giving up
Forgot what I was looking for	I'm making your love
Try to guide me in the right direction	This city's made us crazy and we must get out
Making use of all this time	There's only so (8) I can do for you
Keeping everything inside	After all of the things you've put me through
Close my eyes and listen to you cry	I'm lifting you up
I'm lifting you up	I'm letting you down
I'm letting you down	l'm (9) til dawn
I'm dancing til dawn	I'm fooling around
I'm fooling around	I'm not giving up
I'm not giving up	I'm making your love
I'm making (3) love	This city's made us crazy and we must get out
This city's made us crazy and we must get out	I'm lifting you up
Oh yeah	I'm letting you down
This is not goodbye she said	I'm dancing til dawn
It is just time for me to rest my head	I'm fooling around
She does not walk she runs instead	I'm not giving up
Down these jagged (4) and into my bed	I'm making your love
When I was	This city's made us (10) and we must get ou
Fumbling through your (5) drawer	(Oh oh oh)
Forgot what I was looking for	
Try to (6) me in the right direction	
Making use of all (7) time	
Keeping everything inside
