

Fill in the gaps

I've been the needle and the thread	Close my eyes and listen to you cry
Weaving figure eights and circles (1) your head	I'm lifting you up
I try to laugh but cry instead	I'm letting you down
Patiently wait to hear the (2) you've never said	I'm dancing til dawn
Fumbling through (3) (4) drawer	I'm (18) around
Forgot (5) I was looking for	I'm not giving up
Try to guide me in the (6) direction	I'm (19) your love
Making use of all this time	This city's (20) us crazy and we must get out
Keeping everything inside	There's only so much I can do for you
Close my eyes and (7) to you cry	After all of the things you've put me through
I'm (8) you up	I'm lifting you up
I'm (9) you down	I'm letting you down
I'm dancing til dawn	I'm dancing til dawn
I'm (10) around	I'm fooling around
I'm not giving up	I'm not giving up
I'm making (11) love	I'm making your love
This city's (12) us crazy and we must get out	This city's made us crazy and we must get out
Oh yeah	I'm (21) you up
This is not goodbye she said	I'm letting you down
It is just time for me to rest my head	I'm dancing til dawn
She does not walk she runs instead	I'm fooling around
Down these (13) streets and (14)	I'm not giving up
my bed	I'm (22) love
When I was	This city's made us crazy and we must get out
Fumbling through your dresser drawer	(Oh oh oh)
Forgot (15) I was looking for	
Try to guide me in the right direction	
Making use of all (16) time	
Keening (17) inside
