Fill in the gaps

Over My Shoulder by Mike and The Mechanics

Looking back over my shoulder	Cos I can (15) you slipping through my fingers
I can see that (1) in your eye	I don't even know the reason why
I (2) dreamed it could be over	Every day It's a losing battle just to smile
I (3) wanted to say goodbye	And hold my head up high
Looking back over my shoulder	Could it be that we belong together
With an aching (4) in my heart	Baby won't you (16) me one (17) try
I (5) that we were starting over	On (18) try
Oh instead of drifting so far apart	Looking (19) over my shoulder
Everybody (6) me you were leaving	I can see that look in (20) eye
Funny I should be last to know	I never dreamed it (21) be over
Baby please tell me that I'm dreaming	I never wanted to say goodbye
I (7) never want to let you go	Looking back over my shoulder
Looking back over my shoulder	(Oh with an aching (22) inside
I can see (8) in (10) eyes	Cutting me up, deeper and deeper
Turning my heart over and over	Fills me (23) a sadness that I can't hide
I (11) to say goodbye	Looking back)
I don't mind everybody laughing	
But it's (13) to (14) a grown man	
cry
