

You will go on all alone

Fill in the gaps

Dying For An Angel by Avantasia & Klaus Meine

You're awake in your darkest dream	Living on a dream
I (1) come for you	Dying for an angel
And (2) can hear you scream	Reach out, waiting for a miracle
When I reach for you	No sign of wings, as you turn your back on me
Don't you (3) they're feeding your face	Living on a dream
Before they have carved you in stone	Lonely call to dial
And don't you remember your sweat and (4) pain	Head up, feet down in the fire
When you were drawn to the bone	Can I tell your gone
When you were left on all alone	Dying for an angel
Living on a dream	Everyday
Dying for an angel	(Living on a dream
Reach out, waiting for a miracle	Dying for an angel
No sign of wings, as you turn your (5) on me	Reach out, waiting for a miracle
Living on a dream	No sign of wings, as you turn your back on me)
Lonely call to dial	Living on a dream
Head up, feet down in the fire	Dying for an angel
Can I (6) your gone	Reach out, waiting for a miracle
Dying for an angel	No sign of wings, as you turn your back on me
Everyday	
Where do we go (7) the apology	Living on a dream
What do I (8) behind	Lonely call to dial
How will I stand what I'll have to say	Head up, feet down in the fire
This reflexion of mine	Can I tell your gone
Collateral damage, your sacrifice	Dying for an angel
Got a longer fly alone to fall	Everyday
Gotta tear down the (9) of love and light	
You have come on your own	

- 1. have
- 2. nobody
- 3. remember
- 4. your
