All Around The World by Oasis

All around the world

You've gotta spread the word

Fill in the gaps

t's a bit early in the (1) hour for me	Tell em (19) you've heard
To go through all the things that I (2) to be	We're (20) (21) a better day
don't believe in everything I see	Cos all around the world
You know I'm blind so why do you disagree?	You've got to (22) the word
Take me away 'cause I (3) don't want to stay	Tell 'em (23) you've heard
And the lies you make me say	You (24) it's gonna be okay
Are getting (4) every day	It's gonna be okay
These are (5) days but they make me shine	It's gonna be okay
Time keeps rolling by	It's gonna be okay
All around the world	It's gonna be okay
You've gotta spread the word	All around the world
Tell 'em what you've heard	You gotta spread the word
You're gonna make a better day	Tell 'em (25) you've heard
All around the world	You're gonna make a better day
You've gotta spread the word	So all around
Tell 'em what you've heard	You gotta spread the word
You (6) it's gonna be okay	Tell them what you heard
Whatcha gonna do	You know it's gonna be okay
When the walls come (7) down?	Around the world
You never (8) you never make a sound	You gotta spread the word
Where you gonna swim	Tell 'em what you've heard
With the ridges that you found?	You're gonna make a better day
f you're lost at sea then I (9) (10)	Around the world
you've drowned	You gotta spread the word
Take me away 'cause I just don't (11) to stay	Tell them what you heard
All the (12) you make me say	You know it's gonna be okay
Are getting (13) every day	And I know, what I know
These are crazy days but they make me shine	What I know, what I know
Time (14) rolling by	Yeah I know, what I know
All (15) the world	It's gonna be okay
You've (16) spread the word	And I know, what I know
Tell 'em (17) you've heard	What I know, what I know
You're gonna make a better day	Yeah I know, (26) I know
And all around the world	Pigs don't fly never say die
You've (18) spread the word	So things are gonna fly, you (27) say die
Tell them what you heard	So things are gonna fly, you (28) say die
You know it's gonna be okay
