## The Adventures Of Rain Dance Maggie by Red Hot Chili Peppers

Lipstick junkie debunked me all at once	To your neck of the woods
She came back wearing a smile	I want to live a little bit
Looking like (1) drugged me	Hey now, we've got to make it rain somehow
They (2) to unplug me	She told me that you would show me what to do
No one here is on trial it's just	How (7) makes it in a cloud
A turnaround and we go	You've got the wrong girl
(Oh)	But not for long girl
Well then we go (oh oh oh)	It's in the song girl
Tick (3) I want to rock you like the eighties	Cause I been gone girl
Cock blocking isn't allowed	Hey now, we've got to make it rain somehow
Tug boat Sheila is in to memorabilia	She told me that you would show me what to do
Who said (4) is a crowd	How Maggie makes it in a cloud
We (5) get it on the go	I said
Hey now, we've got to make it rain somehow	Hey now, I wanna (8) this rowdy crowd
She told me that you would show me what to do	She told me (9) you would (10) me
How Maggie makes it in a cloud	what to do
I said	She knows how to make it loud
Hey now, we've got to make it rain somehow	But not for long girl
She told me that you would show me what to do	It's in the song girl
She knows how to make it loud	Cause I been gone
Rain dance Maggie advances to the final	Bye, bye, bye, yeah
Who knew that she had the goods	Mm ba ba girl
Little did I know her body
