The Adventures Of Rain Dance Maggie by Red Hot Chili Peppers

Lipstick (1) debunked me all at once	To your neck of the woods
She came (2) wearing a smile	I want to live a little bit
Looking like someone drugged me	Hey now, we've got to make it rain somehow
They wanted to unplug me	She told me that you (8) show me (9)
No one here is on trial it's just	to do
A (3) and we go	How Maggie makes it in a cloud
(Oh)	You've got the wrong girl
Well then we go (oh oh oh oh)	But not for long girl
Tick tock I want to (4) you like the eighties	It's in the song girl
Cock blocking isn't allowed	Cause I been gone girl
Tug boat (5) is in to memorabilia	Hey now, we've got to make it rain somehow
Who said three is a crowd	She told me that you would show me what to do
We better get it on the go	How Maggie makes it in a cloud
Hey now, we've got to make it rain somehow	I said
She told me (6) you would show me what to do	Hey now, I wanna rock this rowdy crowd
How Maggie makes it in a cloud	She told me that you would show me what to do
I said	She knows how to make it loud
Hey now, we've got to make it rain somehow	But not for long girl
She told me that you would show me what to do	It's in the song girl
She knows how to make it loud	Cause I been gone
Rain dance (7) advances to the final	Bye, bye, bye, yeah
Who knew that she had the goods	Mm ba ba girl
Little did I know her body
