Fill in the gaps

Otherside (Live) by Red Hot Chili Peppers

How long, how long will I slide	Push the (6) and pull the thread
Separate my side I don't	I've got to take it on the (7) side
I don't believe it's bad	Take it on the other side
Slit my throat	Take it on
It's all I ever	Take it on
I heard your voice through a photograph	How long, how long will I slide
I thought it up it brought up the past	Separate my side, this time, I don't
Once you know you can never go back	I don't believe it's bad
I've got to take it on the other side	Slit my throat
Centuries are what it meant to me	It's all I ever
A cemetery where I marry the sea	Turn me on take me for a hard ride
Stranger things could never (1) my mind	Burn me out leave me on the other side
I've got to take it on the other side	I yell and tell it that
Take it on the other side	It's not my friend
Take it on	I tear it down, I tear it down
Take it on	And then it's born again
How long how long will I slide	How long, how long will I slide
Separate my side I don't	Separate my side I don't
I don't believe it's bad	I don't believe it's bad
Slit my throat	Slit my throat
It's all I ever	It's all I ever
Pour my life (2) a paper cup	How (8) I don't
The ashtray's (3) and I'm spillin' my guts	I don't believe it's bad
She wants to (4) am I still a slut	Slit my throat It's all I ever
I've got to take it on the other side	
Scarlet (5) and she's in my bed
