

Try to forget me and just move on

Fill in the gaps

Calling all cars we've got another victim	So (20) you scatter my ashes
Cause my love has become an affliction	Where they won't be found?
What did you expect from me?	I kept my word and you hate me for it now
What did you expect from me?	But you knew all along
I'm sorry but I think I (1) to mention	Try to forget me and just move on
That I lied at my very first confession	I don't
What did you expect from me?	Have love left
What did you expect from me?	Inside
Cause this has (2) building	Inside
Since I (3) (4) breathing	And I don't
And I know how it's going to end	Have (21) left
So will you (5) my ashes	Inside
Where (6) won't be found?	Inside
I kept my word	Are you desperate for an answer?
When I swore that I would let you down	I don't have an ounce of good left in me now
And now that I'm gone	Thats why I walked out
Try to (7) me and just (8) on	So will you (22) my ashes
So (9) you scatter my ashes	Where they won't be found?
Where they won't be found?	I kept my word
I kept my word and you hate me for it now	When I swore that I (23) let you down
But you knew all along	And now that I'm gone
Try to forget me and just (10) on	Try to forget me and (24) (25) on
Oh my (11) what (12) I (13)	So will you scatter my ashes
and done now?	Where they won't be found
It's curtain call, I'm about to take my last bow	I kept my word and you hate me for it now
What did you (14) (15) me?	You hate me for it now
What did you expect from me?	Try to forget me and just move on
Without giving away	I am not the one that you (26) blame
The entire ending	So take what I left you for the pain
I ruined the evening again	I am not the one that you (27) blame
So will you scatter my ashes	So take what I left you for the pain
Where (16) won't be found?	And do your best to forget my name
I kept my word	
When I (17) (18) I (19)	_
let you down	
And now that I'm gone
