And you wonder

Fill in the gaps

Lemon Tree (Dance Remix) by Fool's Garden

I'm sitting here in the boring room	I wonder how
It's just (1) rainy sunday afternoon	I wonder why
I'm wasting my time I've got (2) to do	Yesterday you told me about the blue blue sky
I'm hanging around, I'm waiting for you	And all that I can see
But nothing (3) happens	Is just another lemon tree
And I wonder	I'm (9) my head up and down
I'm driving around in my car	I'm turning turning turning turning around
I'm (4) too fast I'm driving too far	And all that I can see
I'd like to change my point of view	Is just a yellow lemon tree
I (5) so lonely, I'm waiting for you	Sing!
But nothing ever happens	Da, da da da da, di da da
And I wonder	Da da da da, di da da
I wonder how	Da di di di da da
I wonder why	Da, da da da da, di da da
Yesterday you told me about the blue blue sky	Da da da da, di da da
And all that I can see	Da di di di da da
Is just a yellow lemon tree	I wonder how
I'm turning my (6) up and down	I wonder why
I'm turning turning turning turning around	Yesterday you told me about the blue blue sky
And all that I can see	And all that I can see
Is just another lemon tree	Is just a yellow lemon tree
Sing!	I'm turning my head up and down
Da, da da da, di da da	I'm turning turning turning turning around
Da da da da, di da da	And all that I can see
Da di di di da da	Is just a yellow lemon tree
I'm (7) here I miss the power	And I wonder, I wonder
I'd like to go out, taking a shower	I wonder how
But there's a heavy cloud inside my head	I wonder why
I (8) so tired, put myself into bed	Yesterday you told me about the blue blue sky
Where nothing ever happens	And all that I can see
And I wonder	And all that I can see
I'm stepping around in the desert of joy	And all that I can see
Baby anyhow I'll get another toy	Is just a yellow (10) tree
And everything will happen
