Can't Stop by Red Hot Chili Peppers

Can't stop addicted to the shin dig	The tears I drop
Cop top he says I'm gonna win big	To be part of
Choose not a life of imitation	The wave can't stop
Distant cousin to the reservation	Ever wonder if it's all for you
Defunkt the pistol that you pay for	The world I love
This punk the feeling that you stay for	The trains I hop
In time I want to be your best friend	To be part of
Eastside love is living on the westend	The wave can't stop
Knock out but boy you better come to	Come and tell me when it's time to
