I got a lot to say to you	Crush
Yeah, I got a lot to say	Crush
I noticed your eyes are always glued to me	Crush, crush
Keeping them here	(Two, three, four!)
And it makes no sense at all	Nothing compares to a quiet evening alone
They taped over your mouth	Just the one two of us who's counting on
Scribbled out the truth with their lies	That never happens
You little spies	I guess I'm dreaming again
They taped over your mouth	Let's be more (5) this
Scribbled out the truth with their lies	Rock and roll, baby
You little spies	Don't you know that we're all alone now?
Crush	I need something to sing about
Crush	Rock and roll, hey
Crush	Don't you know, baby, we're all alone now?
Crush, crush	I need something to sing about
