Things Will Never Be The Same by Jonas Brothers

Yeah Yeah Eh Eh Oh Oh		We get closer and (12)		_ again
Try to (1) asleep tonight		But we're falling apart		
Lay (2) and dream of a life		I'm losing, you're (13) a frien		a friend
Where we thought (3) we (4)	make it	It's (14)	_ (15)	before we start
We wasted all our time		You're (16)	for love	
And I wouldn't change a single thing, I know		And I wish I believed you		
We get closer and (5) again		But it's easy to see (17) it's over		
But we're falling apart	There's no one to blame			
I'm losing, you're losing a friend		It'll (18) be the same		
It's always (6) before we start		Never be the same		
You're (7) for love		It'll never be the same		
And I (8) it (10)	_ be the	It's over		
way that it was		There's no one to blame		
But it's over	It'll never be the same			
There's no one to blame				
No, it'll (11) be the same				
No, it'll never be the same
