

## Fill in the gaps

## Remenissions by Avenged Sevenfold

With this ink in our skin we've sealed our fate,	Leaves at my feet, (14) to the ground
and the axe (1) early	their (15) are (16) my
(only naturally) So what (2) that matter?	ears
There's a bed of skeletons waiting for me,	Nights coming fast, suns (17) down
on the other side	But keep away from me keep away from me
They're (3) for my next (4) (next	(it's hard, to keep me in (18) place, keep
fatal breath)	(19) (20) me)
Human lives to me seem so unreal, can't see through the fog	We may (21) the
(nothing past a grey wall) see past the stereotype	beginning, mentally
Belief, structure built up in you.	We may have (23) the beginning
I'll (5) you down and the one who created you	physically
If (6) didn't have One how would (7)	To the end of our human existence
act?	I see through you
If we didn't have hope how (8) we behave?	The fear that's in your eyes
Would (9) still feel remorse	A (24) friend (25) told me we are out
if (10) slaughtered innocent beings?	memory
Or is hope the only (11) that keeps you sane?	Without it we (26) nothing
A good friend (12) told me we are our memory	And all I can see is the place I wanna be
without it we (13) nothing	Timeless my life was so free
And all I can see is the place I wanna be	Leaves at my feet, blown to the ground
Timeless my life was so free	their echoes are reaching my ears
	Nights coming fast, suns going down - confused
	I don't know the (27) but neither do you.
