Carry Me Over by Avantasia

Fill in the gaps

Never been (1) my prays will be answered	i ii be out of sight, out of sound
Wherever I go I see you around	Someone's gonna wait somewhere
Never been told about something that beautiful	Carry me over
Will bring up to let me down	Carry me over
Waiting up on the roof	Carry me over now
Waiting up in the rain	Carry me over
Just to get a glimpse of your face	Carry me over
Even when you're around	Carry me over now
Stealing me out of sight, out of sound	Carry me over
In your world (2) is my own place	Carry me over
Carry me over	Carry me over now
Carry me over	Carry me over
Carry me (3) now	Carry me over
Carry me over	Carry me over now
Carry me over	Somebody
Carry me over now	Carry me over
You're like a ghost (4) I can't let go	Carry me over
You follow every step (5) I take	Carry me over now
Never thought someone can be too close to you	Carry me over
Now I (6) the street that's (7) away	Carry me over
When I might as well	Carry me over now
Be the man on the moon	Carry me (9) now
I'm (8) but you don't see nowhere	
But I won't be around
