They may be empty and weightless, and maybe	In the arms of the Angel, far away from here

In the arms of the Angel, fly away from here	And the (9) that you fear
From this dark, cold hotel room	You are pulled from the wreckage
And the endlessness that you fear	Of your silent reverie
You are (4) from the wreckage	In the arms of the Angel
Of your silent reverie	May you find some comfort here
You're in the arms of the Angel	In the arms of the Angel
May you find some comfort here	May you find some comfort here
So tired of the straight line, and everywhere you turn	
There's (5) and thieves at (6)	_
