Almost Over You by Sheena Easton

I saw an old friend of ours today
She asked about you
I didn't quite know what to say
Heard you've been making the rounds round here
While I've (1)_____ trying to make tears disappear
Now I'm almost over you
I've almost shook these blues
So when you come back around
After (2)_____ the town
You'll see I'm almost over you
You're such a sly one with your cold cold heart
Maybe leaving came easy
But it tore me apart
Time heals all wounds they say
And I sure know
Cause it seems like forever but I'm letting you go
Now I'm almost over you
I've almost shook these blues

So when you come (3)_____ around
After painting the town
You'll see I'm almost (4)_____ you
I can forgive you and soon I'll forget
All those shattered dreams
Although you left me with nothing to show
For the misery
Now I'm almost (5)_____ you
I've (6)_____ (7)_____ these blues
So when you come back around
After painting the town
You'll see I'm almost over you
When you come back around
After (8)_____ the town
You'll see I'm almost over you
