

I've almost shook these blues

Fill in the gaps

| I saw an old friend of ours today | So when you come (3) around |
|--|---|
| She asked about you | After painting the town |
| I didn't quite know what to say | You'll see I'm almost (4) you |
| Heard you've been making the rounds round here | I can forgive you and soon I'll forget |
| While I've (1) trying to make tears disappear | All those shattered dreams |
| Now I'm almost over you | Although you left me with nothing to show |
| I've almost shook these blues | For the misery |
| So when you come back around | Now I'm almost (5) you |
| After (2) the town | I've (6) (7) these blues |
| You'll see I'm almost over you | So when you come back around |
| You're such a sly one with your cold cold heart | After painting the town |
| Maybe leaving came easy | You'll see I'm almost over you |
| But it tore me apart | When you come back around |
| Time heals all wounds they say | After (8) the town |
| And I sure know | You'll see I'm almost over you |
| Cause it seems like forever but I'm letting you go | |
| Now I'm almost over you | |
