

Fill in the gaps

I saw an old friend of ours today		So when you come back around	
She asked about you		After painting the town	
I didn't quite know what to say		You'll see I'm almost over you	
Heard you've been (1) the	rounds	I can forgive you and soon I'll forget	
(2) here		All (7) shattered dreams	
While I've been trying to make (3) disap	pear	Although you left me with (8) to sl	no
Now I'm almost over you		For the misery	
I've almost shook these blues		Now I'm almost over you	
So when you come back around		I've almost shook (9) blues	
After painting the town		So (10) you come back around	
You'll see I'm almost over you		After painting the town	
You're such a sly one with your cold cold heart		You'll see I'm almost over you	
Maybe (4) came easy		When you come back around	
But it tore me apart		After painting the town	
Time heals all wounds they say		You'll see I'm almost over you	
And I sure know			
Cause it seems (5) (6)	_ but I'm		
letting you go			
Now I'm almost over you			
I've almost shook these blues
