

Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I need more time
About the things caught in my mind	Yes I need more time (4) to make things right
And as the day was dawning	Me and you what's going on
My plane flew away	All we seem to know is how to show
With all the things caught in my mind	The feelings (5) I wrote
I don't wanna be there when your, coming down	So don't go away
I don't wanna be ther when you hit the ground	Say what you say
So don't go away	Say that you'll stay
Say what you say	Forever and a day
Say that you'll stay	In the time of my life
Forever and a day	Cos I need more time
In the time of my life	Yes I need more time (6) to make things right
Cos I need more time	And don't go away
Yes I need more time just to make (1) right	Say what you say
Damn my situation and the games I have to play	Say that you'll stay
With all the things caught in my mind	Forever and a day
Damn my education I can't find the words to say	In the time of my life
With all the things caught in my mind	Cos I need more time
I don't (2) be there when your coming down	Yes I need more time just to make things right
I don't wanna be there (3) you hit the ground	Yes I (7) more time (8) to make
So don't go away	(9) right
Say what you say	Yes I need more time just to make things right
Say that you'll stay	So don't go away
Forever and a day
