

Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I (7) more time
About the things (1) in my mind	Yes I (8) more time just to make things right
And as the day was dawning	Me and you what's going on
My plane flew away	All we seem to know is how to show
With all the things caught in my mind	The feelings that I wrote
I don't (2) be there when your, coming down	So don't go away
I don't wanna be ther when you hit the ground	Say what you say
So don't go away	Say that you'll stay
Say what you say	Forever and a day
Say that you'll stay	In the time of my life
Forever and a day	Cos I need more time
In the time of my life	Yes I need more time just to make things right
Cos I need more time	And don't go away
Yes I need more time just to make things right	Say what you say
Damn my situation and the (3) I (4)	Say that you'll stay
to play	Forever and a day
With all the things caught in my mind	In the time of my life
Damn my education I can't find the words to say	Cos I need more time
With all the things (5) in my mind	Yes I need (9) time just to make things right
I don't wanna be there when your (6) down	Yes I need more time just to make things right
I don't wanna be there when you hit the ground	Yes I need (10) time just to make things right
So don't go away	So don't go away
Say what you say	
Say that you'll stay	
Forever and a day
