

Fill in the gaps

Cold and frosty morning	in the time of my life
There's not a lot to say	Cos I need more time
About the (1) caught in my mind	Yes I (14) more time just to make things right
And as the day was dawning	Me and you what's (15) on
My plane flew away	All we seem to (16) is how to show
With all the things caught in my mind	The (17) that I wrote
I don't (2) be (3) when your,	So don't go away
coming down	Say what you say
I don't wanna be ther when you hit the ground	Say (18) you'll stay
So don't go away	Forever and a day
Say what you say	In the time of my life
Say that you'll stay	Cos I need more time
Forever and a day	Yes I need more time (19) to make things right
In the time of my life	And don't go away
Cos I need more time	Say what you say
Yes I need (4) (5) just to make things	Say that you'll stay
right	Forever and a day
Damn my situation and the games I have to play	In the time of my life
With all the things (6) in my mind	Cos I (20) time
Damn my education I can't find the (7) to say	Yes I need more time (22) to (23)
With all the (8) in my mind	things right
I don't wanna be (10) (11) your	Yes I (24) (25) time just to make things
(12) down	right
I don't wanna be there (13) you hit the ground	Yes I need more time (26) to (27)
So don't go away	things right
Say what you say	So don't go away
Say that you'll stay	
Forever and a day	

1. things
