

Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I need more time
About the things caught in my mind	Yes I need more time (5) to make things right
And as the day was dawning	Me and you what's (6) on
My plane flew away	All we (7) to know is how to show
With all the things (1) in my mind	The feelings that I wrote
I don't wanna be there when your, coming down	So don't go away
I don't wanna be ther when you hit the ground	Say what you say
So don't go away	Say that you'll stay
Say what you say	Forever and a day
Say that you'll stay	In the time of my life
Forever and a day	Cos I need more time
In the time of my life	Yes I need (8) time just to make things right
Cos I need more time	And don't go away
Yes I need more time just to make things right	Say what you say
Damn my situation and the games I have to play	Say that you'll stay
With all the things caught in my mind	Forever and a day
Damn my (2) I can't find the words to	In the time of my life
say	Cos I need more time
With all the things caught in my mind	Yes I need more time just to make things right
I don't wanna be there (3) your coming down	Yes I (9) more (10) just to make thing
I don't wanna be there when you hit the ground	right
So don't go away	Yes I need more time just to make things right
Say what you say	So don't go away
Say (4) you'll stay
