

Get out of my head, get off of my bed

## Fill in the gaps

You held my hand and walked me home	Yeah, that's (5) I said
l know	Did I not tell you that I'm not like that girls?
While you gave me that kiss it was something like this	The one who throws it all away
It made me go, oh oh	Did you think that I was (6) give it up to you
You wiped my tears, got rid of all my fears	This time?
Why did you have to go?	Did you think (7) I was something I was
Guess it wasn't enough to take up some of my love	(8) do
Guys are so (1) to trust	And cry?
Did I not tell you that I'm not (2) that girls?	Don't try to tell me what to do
The one who gives it all away, yeah	Don't try to tell me what to say
Did you think that I was gonna give it up to you	You're better off that way, yeah
This time?	This guilt trip that you put me on won't
Did you (3) (4) I was something I was	Mess me up but you're no wrong
gonna do	Any thoughts of you and me have gone away
And cry?	Did you (9) that I was gonna give it up to you
Don't try to tell me what to do	This time?
Don't try to tell me what to say	Did you think that I was (10) I was
You're better off that way	gonna do
Don't think that your charm and the fact that your arm	And cry?
Is now around my neck	Don't try to tell me what to do
I got you in my pants I'll have to kick your ass	Don't try to tell me what to say
And make you never forget	You're better off that way, yeah (better off that way)
I'm gonna ask you to stop, thought I liked you a lot	I'm better off alone anyway
