

My heart will never be your home

Fill in the gaps

Made a meal and threw it up on sunday, I've	So what's the matter with you
Got a lot of things to learn	Sing me something new
Said I would and I'll be leaving one day	Don't you know the cold and wind and rain don't know
Before my heart starts to burn	They only seem to come and go away
So what's the matter with you	Stand by me
Sing me something new	Nobody knows the way it's (7) be
Don't you know the cold and (1) and rain don't	Stand by me
know	Nobody knows the way it's gonna be
They only seem to (2) and go away	Stand by me
Times are hard when things have got no meaning, I've	Nobody knows the way it's gonna be
Found a key upon the floor	Stand by me
Maybe you and I will not believe in	Nobody knows
The things we find behind the door	Yeah, nobody knows
So what's the matter with you	The way it's gonna be
Sing me (3) new	The way it's gonna be, yeah
Don't you know the (4) and wind and rain don't	Maybe I can see, yeah
know	Don't you know the (8) and (9) and rain
They only seem to come and go away	don't know
Stand by me	They only seem to come and go away
Nobody knows the way it's gonna be	Stand by me
Stand by me	Nobody knows the way it's gonna be
Nobody (5) the way it's gonna be	Stand by me
Stand by me	Nobody knows the way it's gonna be
Nobody (6) the way it's gonna be	Stand by me
Stand by me	Nobody knows the way it's gonna be
Nobody knows	Stand by me
Yeah, nobody knows	Nobody knows
The way it's gonna be	Yeah, God only knows
