

Fill in the gaps

The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the (1) is I'm complicated	Cause this ain't Wonderland
You're as straight as (2) come	It damn sure ain't Narnia
You go 'bout (3) day baby	And once you (11) the line
While I had from the sun	You can't change your mind
It's better if you don't understand	Yeah I'm a monster
Cause you wont know what it's like	But I'm no Frankenstein
Until you try	And quite frankly
You know I, I've been waiting on the other side	I've (12) feeling (13) in between
And you, all you gotta do is cross the line	my eyes
I could wait a whole (4) time	I really cant (14) (15) I feel
But you just gotta decide	inside
You (5) I	If you (16) what I was you's would run and hide
I've been waiting on the other	Many have tried to go into the night
Waiting on the other side	Cross over the line and (17) back alive
We would live forever	But that's the (18) we pay
Who could ask for more	When we (19) on the (20) side
You could die if you wanted	You know I, I've been waiting on the other side
But baby (6) for	And you, all you gotta do is cross the line
It's better if you don't understand	I could wait a whole life time
And you won't know what it's like	But you just gotta decide
Until you try	You know I
You know I, I've been (7) on the	I've been waiting on the other
(8) side	Waiting on the (21) side
And you, all you gotta do is cross the line	It's (22) if you don't understand
I could (9) a whole life time	It's better if you don't understand
But you just gotta decide	It's better if you don't understand
You know I	It's better if you don't understand
I've (10) waiting on the other	It's better if you don't understand
Waiting on the other side	It's better if you don't understand
If they say life's a dream	
Call this insomnia
