The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the matter is I'm complicated		Cause this ain't Wonderland
You're as straight as they come		It damn sure ain't Narnia
You go 'bout your day baby		And once you cross the line
While I had from the sun		You can't change your mind
It's better if you don't understand		Yeah I'm a monster
Cause you wont know what it's like		But I'm no Frankenstein
Until you try		And quite frankly
You know I, I've been waiting on the other s	ide	I've been feeling insane in between my eyes
And you, all you gotta do is (1)	the line	I really cant explain what I feel inside
I could wait a whole life time		If you knew what I was you's (6) run and hide
But you just gotta decide		Many have tried to go into the night
You know I		Cross over the line and come back alive
I've (2) waiting on the other		But that's the price we pay
Waiting on the other side		When we (7) on the other side
We would live forever		You know I, I've been waiting on the other side
Who could ask for more		And you, all you gotta do is cross the line
You could die if you wanted		I (8) a whole life time
But baby (3) for		But you (10) gotta decide
It's better if you don't understand		You know I
And you won't know what it's like		I've been waiting on the other
Until you try		Waiting on the other side
You know I, I've been waiting on the other s	ide	It's better if you don't understand
And you, all you gotta do is cross the line		It's better if you don't understand
I could (4) a whole life time		It's better if you don't understand
But you just gotta decide		It's better if you don't understand
You (5) I		It's better if you don't understand
I've been waiting on the other		It's better if you don't understand
