

## Fill in the gaps

## You Give Me Something by James Morrison

You want to (1) with me in the morning	But I'm willing to give it a try
You only hold me when I sleep	Please give me something
I was meant to tread the water	'Cause (15) I (16) call you
Now I've gotten in too deep	from my heart
For every (2) of me that (3) you	But it might me a second too late
Another (4) (5) away	And the (17) that I (18)
'Cause you give me something	(19) say
That makes me scared, alright	Gonna come out anyway
This (6) be nothing	'Cause you (20) me something
But I'm willing to give it a try	That makes me scared, alright
Please give me something	This (21) be nothing
'Cause someday I might know my heart	But I'm (22) to (23) it a try
You already (7) up for hours	Please give me something
Just to spend a little time (8) me	'Cause you (24) me something
And I can say I've never bought you flowers	That makes me scared, alright
I can't (10) out (11) they mean	This could be nothing
I (12) thought (13) I'd (14)	But I'm willing to give it a try
someone	Please give me something
That was someone else's dream	'Cause someday I might know my heart
'Cause you give me something	Know my heart, (25) my heart, (26) my
That makes me scared, alright	heart
This could be nothing
