## You Give Me Something by James Morrison

You want to stay with me in the morning	But I'm willing to give it a try
You only hold me when I sleep	Please give me something
I was meant to tread the water	'Cause someday I might call you from my heart
Now I've gotten in too deep	But it might me a second too late
For every piece of me that wants you	And the words that I could (5) say
Another (1) backs away	Gonna (6) out anyway
'Cause you give me something	'Cause you give me something
That makes me scared, alright	That makes me scared, alright
This could be nothing	This could be nothing
But I'm willing to give it a try	But I'm willing to give it a try
Please give me something	Please give me something
'Cause someday I might know my heart	'Cause you give me something
You (2) waited up for hours	That makes me scared, alright
Just to spend a little time alone with me	This could be nothing
And I can say I've never bought you flowers	But I'm willing to give it a try
I can't work out (3) they mean	Please give me something
I never thought that I'd love someone	'Cause someday I might (7) my heart
That was someone else's dream	Know my heart, (8) my heart, know my hear
'Cause you give me something	
That makes me scared, alright
