### Fill in the gaps

#### Under Cover Of Darkness by The Strokes

Slip back out of whack at your best	Everybody's (6) singing the same song for ten
It's a nightmare	years
So I'm joining the army	I'll wait for you
Know how folks (1) out, I (2) call	Will you (7) for me too?
Will you wait for me now?	And they sacrifice their lives
We got the righteous (3) to use it	In the land are all closed eyes
Got everything but you can just choose it	I've been saying it a (8) times
I won't tie me a puppet on a string	And I'll say it again
Don't go that way	So long, my adversary and friend
l'II (4) for you	Don't go that way
And I'm tired of all your friends	I'll wait for you
Listening at your door	I'm tired of all your friends
And I want what's better for you	Knocking down your door
So long my friend and adversary	Get up in the morning, give it your all
But I'll wait for you	So (9) my friend and adversary
Get dressed (5) out of bed and do it best	I'll wait for you
Are you ok?
