## Under Cover Of Darkness by The Strokes

Slip back out of whack at your best	Everybody's been singing the same (7) for ten
It's a nightmare	years
So I'm joining the army	I'll wait for you
Know how (1) back out, I still call	Will you wait for me too?

Got everything but you can just (3) it	I've been saying it a billion times
I won't tie me a puppet on a string	And I'll say it again
Don't go that way	So long, my (8) and friend
I'll wait for you	Don't go that way
And I'm tired of all (4) friends	I'll wait for you
Listening at (5) door	I'm tired of all your friends
And I want what's better for you	Knocking down your door
So long my friend and adversary	Get up in the morning, give it your all
But I'll wait for you	So long my (9) and adversary
Get dressed jump out of bed and do it best	I'll wait for you
Are you ok?
