

## Fill in the gaps

## We Found Love (Feat Calvin Harris) by Rhianna

Yellow diamonds in the light	
And we're standing side by side	We (8) in a hopeless place
As your shadow crosses mine	We found love in a hopeless place
What it takes to come alive	We found love in a (10) place
	We found love in a hopeless place
It's the way I'm feeling I (1) can't deny	
But I've gotta let it go	Yellow diamonds in the light
	And we're standing (11) by side
We found love in a hopeless place	As your (12) crosses mine
We (2) in a hopeless place	
We found love in a hopeless place	We (13) love in a (14)
We found love in a hopeless place	place
	We (15) love in a hopeless place
Shine a light through an open door	We (16) in a hopeless place
Love and life I will divide	We found love in a hopeless place
Turn (4) (5) I (6) you	
more	We found (18) in a (19) place
Feel the heartbeat in my mind	We (20) in a hopeless place
	We found love in a hopeless place
It's the way I'm (7) I just can't deny	We (22) (23) in a
But I've gotta let it go	(24) place
