

## Fill in the gaps

Oh oh, oh oh	You (10) all the things I thought I knew
So much for my happy ending	And I (11) we could be
Oh oh, oh oh	You were everything, (12) that I
So much for my (1) ending	wanted
Oh oh, oh oh, oh oh	We were meant to be, supposed to be, but we lost it
Let's talk this over	All of the memories, so (13) to me, just
It's not like we're dead	(14) away
Was it something I did?	All this time you were pretending
Was it something you said?	So much for my happy ending
Don't leave me hanging	It's nice to know that you (15) there
In a city so dead	Thanks for (16) like you care
Held up so high	And making me feel like I was the (17) one
On such a breakable thread	It's nice to (18) we had it all
You were all the things I thought I knew	Thanks for (19) as I fall
And I thought we could be	And letting me know we were done
You were everything, (2) that I	You (20) everything, (21)
wanted	that I wanted
We (3) meant to be, supposed to be, but we	We were meant to be, supposed to be, but we lost it
(4) it	All of the memories, so (22) to me, just fade
All of the memories, so close to me, just fade away	away
All this time you were pretending	All this time you were pretending
So much for my happy ending	So much for my happy ending
Oh oh, oh oh	You (23) everything, (24)
So (5) for my happy ending	that I wanted
Oh oh, oh oh	We were meant to be, supposed to be, but we lost it
You've got your dumb friends	All of the memories, so close to me, just fade away
I know what (6) say	All this time you were pretending
They tell you I'm difficult	So much for my happy ending
But so are they	Oh oh, oh oh
But they don't know me	So (25) for my (26) ending
Do (7) (8) know you?	Oh oh, oh oh
All the things you hide from me	So much for my happy ending
All the (shit) (9) you do	Oh oh, oh oh, oh oh
