

In the things that you threw

I live for glitter, not you

Like a magpie

Fill in the gaps

Teenage dreams in a (1) circus	We are not what you think we are
Running around like a clown on purpose	We are golden, we are golden
Who gives a damn about the (2) you come	We are not what you think we are
from?	We are golden, we are golden
No giving up when you're (3) and you want	Teenage dreams in a (6) circus
some	Running around like a clown on purpose
Running around again	Who gives a damn about the family you come from?
Running from running	No giving up (7) you're young and you want some
Waking up in the midday sun	Now I'm (8) alone
What's to live for?	I'm finally looking around
You could see what I've done	Left here on my own
Staring at emotion	I'm going to hurt myself
In the light of day	Maybe losing my mind
I was running	I'm still (9) why
From the things that you'd say	Had to let the world
We are not what you think we are	Let it bleed me dry
We are golden, we are golden	We are not what you think we are, we are
We are not what you think we are	We are not what you think we are
We are golden, we are golden	We are not what you think we are
Teenage dreams in a teenage circus	We are golden, we are golden
Running (4) like a clown on purpose	Teenage dreams in a teenage circus
Who gives a damn about the family you come from?	Running around like a clown on purpose
No giving up when you're young and you want some	Who gives a damn about the family you come from?
Running around again	No giving up when you're young and you want some
Running (5) running	Running around again
Running around again	Running (10) running
Running from running	Running around again
I was a boy	Running from running
At an open door	We are not what you think we are
Why you staring?	We are golden, we are golden
Do you still think that you know?
