

I live for glitter, not you

Fill in the gaps

Teenage dreams in a teenage circus	We are not what you think we are
Running around like a clown on purpose	We are golden, we are golden
Who gives a damn about the family you come from?	We are not what you think we are
No giving up when you're young and you (1) some	We are golden, we are golden
Running around again	Teenage dreams in a teenage circus
Running from running	Running around (7) a clown on purpose
Waking up in the midday sun	Who gives a damn (8) the family you come
What's to (2) for?	from?
You could see what I've done	No giving up (9) you're young and you want some
Staring at emotion	Now I'm sitting alone
In the light of day	I'm finally looking around
I was running	Left here on my own
From the things that you'd say	I'm going to (10) myself
We are not what you think we are	Maybe losing my mind
We are golden, we are golden	I'm still wondering why
We are not what you think we are	Had to let the world
We are golden, we are golden	Let it bleed me dry
Teenage dreams in a teenage circus	We are not what you think we are, we are
Running around like a clown on purpose	We are not what you think we are
Who gives a damn about the (3) you come	We are not what you think we are
from?	We are golden, we are golden
No giving up when you're (4) and you	Teenage dreams in a teenage circus
(5) some	Running around like a clown on purpose
Running (6) again	Who gives a damn about the family you come from?
Running from running	No giving up when you're young and you want some
Running around again	Running around again
Running from running	Running from running
I was a boy	Running around again
At an open door	Running from running
Why you staring?	We are not what you think we are
Do you still think that you know?	We are golden, we are golden
Looking for treasure	
In the things that you threw	
Like a magpie
