

## Fill in the gaps

Skies are dark it's (1) for rain	I don't wanna let go
Final (2) you board the train	So say it isn't so
Heading for tomorrow	Miles and miles to go
I (3) goodbye to yesterdays	Before I can say
Wipe the tears you hide your face	Before I can lay
Blinded by the sorrow	My (16) for you to sleep
How can I be smiling (4) before	Oh, darling oh
When baby, you don't love me anymore	I got (17) and (18) to go
Say it isn't so	Before anyone (19) ever hear
Tell me you're not leaving	Me laugh again
Say you changed (5) mind now	Say it isn't so
That I am only dreaming	Tell me you're not leaving
That (6) is not goodbye	Say you (20) your mind now
This is starting over (hmm)	That I am only dreaming
If you (7) know	That (21) is not goodbye
I don't (8) let go	This is starting over
So say it isn't so	Say I'm not wide awake
Ten to (9) at least we tried	If you wanna know
We're (10) alive but hope just died	I don't wanna let go
As (11) close the door (12) you	So say it isn't so
Whistle blows and tons of steel	Say you changed (22) mind now
Shake the ground beneath the wheels	That I am only dreaming
As I wish I never found you	That this is not goodbye
How can I be smiling (13) you're gone	This is starting over
Will I be strong enough to (14) on	Say I'm not wide awake
Say it isn't so	If you wanna know
Tell me you're not leaving	I don't (23) let go
Say you (15) your mind now	So say it isn't so
That I am only dreaming	If you wanna know
That this is not goodbye	I don't (24) let go
This is starting over	So say it isn't so
Say I'm not wide awake	
If you wanna know
