

Fill in the gaps

Waiting For The End by Linkin Park

This is not the end
This is not the beginning
Just a voice like a riot rocking every revision
But you listen to the tone and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah
With fists (1)_____ up in the air
Like we're holding onto (2)_____ that's
invisible there
Cause we're living at the mercy of the pain and the fear
Until we dead it, forget it, let it all disappear
Waiting for the end to come
Wishing I had strength to stand
This is not what I had planned
It's out of my control
Flying at the speed of light
Thoughts (3)_____ spinning in my head
So many (4)_____ were (5)_____ unsaid
It's hard to let you go
I know (6)_____ it takes to move on
I know how it feels to lie
All I want to do
Is (7)_____ this life for something new
Holding on to what I haven't got
Sitting in an empty room
Trying to forget the past
This was never meant to last
I wish it wasn't so

I know what it (8)_____ to move on
I know how it feels to lie
All I (9)_____ to do
Is (10)_____ this life for something new
Holding on to what I haven't got
What was left (11)_____ (12)_____ (13)_____
was gone
I (14)_____ it felt right but (15)_____ right
was wrong
All (16)_____ up in the eye of the storm
And trying to figure out what it's like moving on
And I don't even know what (17)_____ of things I said
My mouth kept moving and my mind went dead
So I'm picking up the pieces, now (18)_____ to begin
The hardest (19)_____ of ending is starting again
All I want to do
Is trade this life for (20)_____ new
Holding on to what I haven't got...
This is not the end, this is not the beginning
Just a voice like a (21)_____ rocking (22)_____
revision
But you (23)_____ to the (24)_____ and the
violent rhythm
Though the (25)_____ sound steady
Something's (26)_____ within them
We say yeah with fists flying up in the air
Like we're holding onto something that's
(27)_____ there
Cause we're living at the mercy of the pain and the fear
Until we dead it, forget it let it all disappear

Fill in the gaps

Answer
