

## Fill in the gaps

### Stereo Love by Edward Maya & Mia Martina

When you gonna stop breaking my heart  
I don't wanna be another one  
Paying for the things I never done  
Don't let go... don't let go... to my love...  
Can I get to your soul  
Can you get to my thoughts  
Can you promise we won't let go  
All the things that I need  
All the things that you need  
You can make it feel so real  
Cause you can't deny, you've blown my mind  
When I touch your body, I feel I'm losing control  
Cause you can't deny, you've blown my mind  
When I see you baby, I just wanna let go...
