In comes the winter breeze

That chills the air and drifts the snow

4 Seasons Of Loneliness by Boyz II Men

I long for the warmth of days gone by	And I imagine kissing you under the mistletoe
When you were mine	When springtime makes its way here
But now those days are memories in time	Lilac blooms reminds me of
Life's empty without you by my side	The scent of your perfume
My heart belongs to you no matter what I try	When summer burns with heat
When I get courage up to (1) somebody new	I always get the hots for you
It always falls apart cause (2) just can't	Go skinny dippin' in the ocean where we used to do
(3) to you	When autumn (9) the leaves the trees are bare
Your love won't release me I'm bound under ball and chain	When you're not here It doesn't feel the same
Reminiscing our love as I (4) four seasons	This loneliness
change	Has crushed my heart
In comes the winter breeze	Please let me love again
That chills the air and drifts the snow	Cause I need your love to comfort me and ease my pain
And I imagine kissing you under the mistletoe	Or four seasons will bring the loneliness again
When springtime makes its way here	In comes the winter breeze
Lilac blooms reminds me of	That chills the air and drifts the snow
The (5) of your perfume	And I imagine kissing you under the mistletoe
When summer burns with heat	When springtime makes its way here
I always get the hots for you	Lilac blooms reminds me of
Go skinny dippin' in the (6) where we used to do	The scent of your perfume
When autumn sheds the leaves the trees are bare	When summer burns with heat
When you're not here It doesn't feel the same	I always get the (10) for you
(It doesn't feel the same)	Go skinny dippin' in the ocean where we used to do
	When autumn sheds the leaves the trees are bare
Remember the nights when we closed our eyes	When you're not here It doesn't feel the same
And vowed that you and I would be in love for all time	(It doesn't feel the same)
Anytime I think about these (7) I shared	Remember the warmth of days gone by
(8) you	
I break down and cry cause I get so emotional	
Until you release me I'm bound under ball and chain
