

## Fill in the gaps

If a boy had a chance	Are you hiding somewhere behind those eyes?
A chance with (1) like you	I just freeze every time you see through me
Are you gonna (2) his heart	And it's all over you, electric blue
Let him cry for the moon?	In too deep, standing here waiting
Are you hiding somewhere behind those eyes?	As I'm breaking in two, electric blue
l just (3) every (4) you see	I can see, can see that it may be
through me	Just a vision of you, electric blue
And it's all over you, electric blue	On my knees, help me baby
On my knees, help me baby	Tell me what can I do?
Tell me what can I do?	Electric blue
Electric blue	I (9) freeze every time you see through me
Oh I had a dream	And it's all over you, electric blue
For a moment I believed it was true	In too deep, standing (10) waiting
Oh I'd have given anything (5) to be there with	As I'm breaking in two, electric blue
you	I can see, can see that it may be
Are you hiding somewhere (6) those eyes?	Just a vision of you, electric blue
I just freeze every (7) you see through me	On my knees, help me baby
And it's all over you, electric blue	Tell me what can I do?
In too deep, standing here waiting	Electric blue
As I'm (8) in two, electric blue	Electric blue
I can see, can see that it may be	(Electric blue)
Just a vision of you, electric blue	(Electric blue)
On my knees, help me baby	
Tell me what can I do	
Electric blue	
(Help me baby)
