

## Fill in the gaps

I know you (1) that I shouldn't still love you	Which I'm sure we will
Or (2) you that	All (8) was there
But if I didn't say it, well I'd still have felt it	Will be there still
Where's the sense in that?	I'll let it pass
I promise I'm not trying to make your life harder	And hold my tongue
Or return to where we were	And you will think
But I will go down with this ship	That I've moved on
And I won't put my (3) up and surrender	I will go down with this ship
There (4) be no white flag above my door	And I won't put my hands up and surrender
I'm in love and always will be	There (9) be no white (10) above my
I know I left too (5) mess and	door
Destruction to come back again	I'm in love and always will be
And I (6) nothing but trouble	I will go down with this ship
I understand if you can't (7) to me again	And I won't put my hands up and surrender
And if you live by the rules of "it's over"	There will be no white flag above my door
Then I'm sure that that makes sense	I'm in love and always will be
But I will go down with this ship	But I will go down with this ship
And I won't put my hands up and surrender	And I won't put my hands up and surrender
There will be no white flag above my door	There will be no white flag above my door
I'm in love and always will be	I'm in love (and always will be)
And when we meet
