Somewhere In Brooklyn by Bruno Mars

	On the street kicking rocks
Little (1) perfect (2) at the train	Circling the same block green farm flatbush
stop	Checking every corner shop
Red nike (3) tops listening to hip-hop	Tapping people's shoulders
While we were (4) started conversating	Asking if they know her
Before I got her name, along came a train	Everyday's the (9) back to the train
Next stop Brooklyn (yeah, yeah, yeah)	(yeah, yeah, yeah)
Now I'm looking	Next stop Brooklyn
She was (5) in leather and gold	I'm still looking
Twenty one years old	She was covered in leather and gold
I (6) her in the cold	Twenty one years old
It's unfair, she's out there	I lost her in the cold
Somewhere, somewhere	It's unfair, she's out there
Somewhere in Brooklyn	Somewhere, somewhere
She's somewhere, somewhere	Somewhere in Brooklyn
Somewhere in Brooklyn	She's somewhere, somewhere
What (7) to the snaps VH1?	Somewhere in Brooklyn (yeah)
What happen to the snaps VH1?	
Don't (8) up on me	
And I won't give up on you
