Fill in the gaps

Words by Anthony David & India Arie

I believe that heaven must be like this	Cause you were (6) for me
Ray of sunshine kissed upon your skin	Simple that may be
Just say you love me	Why be complex
Make my day go good	Loving you is so easy
Pot of gold at the end of a rainbow	Can't tell you nothing you ain't already heard
Can't tell you nothing you ain't already heard	(Already Heard)
No (1) what I say it's nothing but words	No matter what I say it's nothing but words
Just let me prove to you what I know is real	(Nothing But Words)
Let me (2) to you the way that I feel	Just let me (7) to you what I (8) is
I believe that (3) is synonymous	real
With heaven, such a sensual bliss	(It's Real)
The way you touch me, (4) this life so good	Let me express to you the way that I feel
A reward at the, end of our long road	Can't tell you (9) you ain't already heard
Can't tell you nothing you ain't already heard	No matter what I say it's nothing but words
(Already heard)	Just let me prove to you what I know is real
No matter what I say it's nothing but words	Let me express to you the way that I feel
(Give me more than words)	Can't tell you nothing
Just let me prove to you (5) I know is real	I ain't already heard
(So Real)	No matter what I say
Let me express to you the way that I feel	It's nothing but words
Show me the way that you feel	Just let me prove to you what I know is real
(Ah ah ah)	Let me express to you the way that I feel
Fairytales can be real if you just believe	
Got my mind made, I don't plan to leave
