

## Fill in the gaps

I (1) see snow cover hills		
You were walking, I was (2) still		
I could feel the cold on my face		
And we were talking (3) always		
I could touch (4) covered leaves		
You (5) (6) closer to me		
I would play you a song out loud		
Yeah, we could sing it 'till the (7) runs out		
I remember streets (8) white		
And I remember a (9) tonight		
Said our December will be (10)		
(11) light		
And I see you (12) to me		
We (13) holding (14) in hand		
A place to fly and a (15) to land		
Now our December (16) be (17) to last		
I (18) there'll be no rush for the year to pass		
I remember (19) (20)		
white		
And I remember a long tonight		

Said our (21)	will be littered with light
And I see you walking to me	
I could see (22) (23	3) hills
And all at once my heart is still	
I see you walking to me	
(Yeah) I see you walking to me	
I remember streets covered wh	ite
And I remember a long tonight	
Said our December will be litter	red with light
And I see you (24)	to me
I (25) stre	ets covered white
And I remember a long tonight	
Said our December will be litter	red with light
And I see you (26)	to me
I see you (27)	_ to me
