Our December by Thriving Ivory

I could see (1)_____ cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You (2)_____ walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year (3)_____ out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a (4)_____ to land
Now our December will be sure to last
I said there'll be no (5)_____ for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light
And I see you walking to me
I (6)_____ see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I (7)_____ streets covered white
And I remember a long tonight
Said our (8)_____ (9)_____ be
(10)_____ with light
And I see you walking to me
I see you walking to me
