Our December by Thriving Ivory

I could see snow (1)_____ hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking (2)_____ always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we (3)_____ sing it 'till the (4)_____ runs
out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a place to land
Now our (5)_____ will be (6)_____ to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our (7)_____ will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our (8)_____ (9)_____ be littered
with light
