

Fill in the gaps

I (1)	see (2)	cover hills	
You were walking, I was standing still			
I could feel the (3) on my face			
And we were	talking like always		
I could (4)	snow co	vered leaves	
You were walking closer to me			
I would play	you a song out loud		
Yeah, we could sing it 'till the year runs out			
I remember	(5)	covered white	
And I remem	ber a long tonight		
Said our December will be littered with light			
And I see yo	u walking to me		
We were hol	ding future in hand		
A place to fly	and a place to land		
Now our (6)		will be sure to last	
I said there'll be no rush for the year to pass			
I remember streets covered white			
And I remem	ber a long tonight		

Said our December will be littered with light			
And I see you walking to me			
(7) see snow covered hills			
And all at once my heart is still			
see you (8) to me			
(Yeah) I see you walking to me			
(9) streets covered white			
And I remember a long tonight			
Said our December will be littered with light			
And I see you walking to me			
remember streets covered white			
And I remember a long tonight			
Said our December (10) be littered with light			
And I see you walking to me			
see you walking to me
